

## Worldwide looks

It's not hard to see that Gypsy Kids is influenced, by everything from Japanese Kimonos to Indian Kaftans. All clothing is made of 100 percent cotton and is designed for easy fit, wear and care. A husband and wife team, Melanie and Murray Quirk were inspired by print designs and fabrics collected during their worldwide travels.

I love the blue Kimono style shots below. The tie at the side is adorable and would be a perfect look for autumn. Check them out at [gypsykids.com.au](http://gypsykids.com.au).
