Gypsy Kids

Autumn Winter 2011

Today's style inspiration comes to you from the folks at Gypsy Kids. These new releases will be hitting stores just in time for the Autumn chill and we're loving their classic, well-dressed appeal. I'm particularly fond of the cable knit jumpers, especially the adorable short sleeve cardigan in pink (top row right), so sweet! This season from Gypsy Kids is all about creating timeless modern pieces, but with a little bit of nostalgia on the side.
